திருப்பெயரால் (சுவங்குகின்றேன்)

COLLEGE HISTORY

Ever since the British period, the twin towns of Tirunelveli and Palayamkottai, intersected by the perennial Tamiraparani River, have been great centres of learning. The Tirunelveli District has a sizable Muslim population which felt the need for an Institution of Higher Education. Due to the dedicated and sincere efforts of the Muslim elite, a College of Arts and Sciences, named after the noted Arabic Scholar Sadakathullah Appa, was started in 1971.

The foundation stone was laid by Janab Syed Abdul Wahab Buhari Sahib. M.A.L.T., Rector, Madrasa Jamalia, Madras on 5.02.1971 (8th Dhul - Haj 1390). The College was inaugurated by Alhaj. M. Mohammed Ismail Sahib (the then President at Indian Union Muslim League) on 4.08.1971 in the presence of former Education Minister Honourable V.R. Neduncheliyan, and Dr. Mu. Varadarasanar, former Vice - Chancellor of Madurai Kamaraj University.

The College is located on a 40 acre sprawling campus. It was first affiliated to the Madurai Kamaraj University for twenty years. With the birth of the Manonmaniam Sundaranar University in 1990, the College was affiliated to it. It is run by the SADAKATHULLAH APPA EDUCATIONAL SOCIETY.

WAVOO SHAHUL HAMEED HOSTEL (MEN)

In 1971, the year of establishment of the College, the hostel was started. It is named after a philanthropist, Janab Wavoo Shahul Hameed of Kayalpatnam. The mess is run on a dividing system.

HOSTEL (WOMEN)

The College became co-educational in the academic year 1996-'97. Consequently, a Hostel for women became imperative.

Ladies Hostel-I was constructed with the financial assistance from Maulana Abulkalam Azad Educational Foundation, New Delhi. The growing number of girl students every year necessitated the establishment of another Hostel. Eventually, Ladies Hostel-II was constructed with the financial aid from the UGC.

Female students from the aided stream are accommodated in Ladies Hostel - II and those from the unaided stream are accommodated in Ladies Hostel - I.

AUTONOMY

Sadakathullah Appa College was conferred with autonomous status by the UGC and Manonmaniam Sundaranar University on 03.01.2007. Though the College is affiliated to Manonmaniam Sundaranar University, getting autonomous status for an Institution is considered a mark of high esteem, prestige and honour.

Autonomous status elevates the Institution to stand high in the academic arena. It gives not only freedom to the Institution to design curriculum to suit students' needs but also helps the institution to produce patriotic citizens whose primary efforts would be towards acquiring knowledge and skills of Science and Technology, Humanities and Literature.

Autonomy ensures innovative teaching methods, freedom to teachers to design the curriculum, assessment and evaluation. The students, no doubt, will reap the benefit finally.

The financial assistance given by the University Grants Commission is a boon to an Autonomous Institution. The main objective of an Autonomous Institution is to offer quality education.

Sadakathullah Appa College, with the bounteous Grace of the Almighty Allah, successfully reviewed the first extension of the Autonomous status in 2012-13. Subsequently, in 2018-19, the Autonomy Review Committee nominated by the University Grants Commission visited the College for the second Review of the Autonomous status and the Extension of the Autonomous status has been conferred on from 2018-19 to 2022-23. The University Grants Commission has extended the Autonomous Status for a period of 10 years from 2023 - 2033.

CHOICE-BASED CREDIT SYSTEM (CBCS)

Choice-Based Credit System (CBCS) is introduced in all Arts and Science colleges in Tamil Nadu from the academic year 2008 - 2009. It gives opportunity for students to choose, join and study simultaneously (along with their own respective programme) a programme from other disciplines. The CBCS facilitates the students to study more useful papers such as Skill-Based Electives and Non-Major Electives. Under the CBCS Pattern, many number of skill-based, career-oriented and interdepartmental courses are offered and credits are awarded.

Extra Credit Courses (ECC), offered outside the regular class hours, add to the credits. The minimum credits to be secured in the UG degree level is 140 and the PG degree is 90. The CBCS System, no doubt, moulds the students fit to be employed at the technological world.

SCHEME OF EXAMINATIONS UNDER CBCS

- The medium of instruction in all the UG and PG Programmes is English and students shall write the CIA Tests and the Semester Examinations in English. CIA Tests consist of two CIA tests with 1 and half an hour duration each and one Model Test of two hour duration. All the CIA Tests are mandatory. Details of marks and duration of examinations for various courses are given in the next page.
- Two assignments for the Undergraduate Programmes and one assignment and one seminar for the Postgraduate Programmes are Mandatory.
- Two Practical Examinations will be conducted for CIA and the average will be taken.
- Special CIA Test will be conducted for absenting students on the payment of prescribed fee.

Examination Pattern for Value Added Courses:

Section A (5 x 2 = 10 marks)	Two Questions (Two marks each) will be asked from each Unit. Students must answer 5 out of the 6 questions.
Section B (5 x 4 = 20 marks)	Two Questions (4 marks each) will be asked from each Unit. Students must answer 5 out of 6 questions
Section C (2 x 10 = 20 marks)	One Question (10 marks each) will be asked from each Unit. Students must answer any 2 out of 3 questions

General Guidelines

All theory question papers will generally be set by external examiners. For undergraduate (UG) and career-oriented programs, a single valuation system is followed, while for postgraduate (PG) programs, double valuation is applied.

Students are permitted to write both *Odd Semester and Even Semester arrear courses in the Even Semester. However, **Even Semester arrear courses can only be cleared during the Even Semester and not in the Odd Semester.

* Odd Semester practical arrears must be cleared in the Odd Semester only.

** Even Semester practical arrears must be cleared in the Even Semester only.

A student must complete at least 75% of the practical exercises arranged by the class teacher and submit the corresponding record notebook. Practical examinations will be conducted by both an internal and an external examiner.

The same rules governing theory examinations apply to absentees and students who have failed but wish to retake the practical examinations.

Grievances Regarding Examinations

Any anomaly in the question paper of the Semester Examinations (such as out-of-syllabus questions, incorrect or insufficient data in problems, etc.) must be reported to the Controller of Examinations in writing through the Head of Department (HoD) within 48 hours of the exam. This allows the Controller to investigate and take appropriate remedial actions.

A student is considered to have taken the examination once they receive the question paper, even if the paper contains anomalies. Issues related to the examination (e.g., anomalies in question papers or requests for special supplementary exams) must be submitted to the Controller of Examinations, who will then refer the matter to the Examination Grievances Redressal Committee for further steps.

Malpractice during CIA/Semester Exams

If a student is caught with unauthorized material (e.g., manuscript, printed sheet, or any incriminating items), they will be stopped from writing the exam and asked to provide a written statement. The invigilator or exam squad will confiscate the Hall Ticket, Identity Card, and Answer Script, and submit a report to the Chief Controller of Examinations. This report will then be forwarded to the Controller of Examinations for further action.

The student will appear before the Examination Discipline Committee, which will determine sanctions based on the severity of the malpractice. Possible sanctions range from disqualification from one or more courses to debarment from subsequent semesters, in accordance with the College's malpractice policy.

Failure to appear before the Examination Discipline Committee will result in a fine of Rs. 1,000, and suspension from the College until the student's parents appear. Students caught in malpractice during CIA Tests will be punished according to the malpractice rules.
