The **National Institutional Ranking Framework (NIRF)** approved by the Ministry of Human Resource and Development (MHRD) and launched by Honourable Minister of Human Resource Development outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations and broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover “Teaching, Learning and Resources”, “Research and Professional Practices”, “Graduation Outcomes”, “Outreach and Inclusivity”, and “Perception”. Our college has applied with NIRF to get an overall rank and discipline specific rank.

The Second cycle of autonomy ends in May 2018. We have applied for the review of the **Autonomous Status** and the Autonomy Review Report has been submitted.
