Best Practices

Students Self Help Scheme (SSHS)

A scheme namely, **Students Self Help Scheme (SSHS)**, has been functioning for the past four years. This scheme is appreciated by many as it eases the pressure of economically disadvantaged students. Each student pays a sum of 10 rupees every month voluntarily under this scheme to help their poor and needy friends. The amount collected under this scheme this year in the aided section is Rs. 30,000/-.

Students Help In First Aid (SHIFA)

A sum of Rs. 65,995/- has been collected under this scheme and it has been distributed to the needy students this year. Ninety-six students have benefitted from this scheme this year. Dr. M. Thameem Ansari, Assistant Professor of Chemistry, is the coordinator.

Earn While You Learn Scheme

Considering the poor economic status of some of our students and with the view to inculcating in them the work culture, we introduced the **Earn While You Learn Scheme**. The remuneration given to them is Rs. 75/- per day. Twenty two of our students have been selected this year under the scheme. The details are as follows:
