"In the Name of Allah, the Most Beneficent, the Most Merciful!
May His blessings be upon the Holy Prophet (Peace Be Upon Him) and upon us all.

Esteemed President, Honourable Secretary, Respected Treasurer, Distinguished Members of the Managing Committee, Esteemed Chief Guest, Respected Colleagues, Cherished Student Friends, and Honoured Guests, It is with immense honour and great pleasure that I present the Annual Report, which outlines the academic and non-academic endeavours, as well as the significant initiatives and events undertaken by this esteemed institution throughout the academic year 2024-2025. The remarkable achievements detailed within this report serve as a testament to the unwavering commitment, collective synergy, and tireless efforts demonstrated by the members of the Managing Committee, the faculty, and the student body.

I extend a warm and heartfelt welcome to our esteemed Secretary, Haji T.E.S. Fathu Rabbani; our distinguished President, Haji Wavoo S. Seyed Abdur Rahman; and our esteemed Treasurer, Haji P.S.M. Ilyas. I also have the privilege of greeting the distinguished Executive Committee members of the Managing Committee: Haji M.K.M. Mohamed Nazar, Er. L.K.M.A. Mohammed Nawab Hussain, Prof. S. Abubucker, and Janab B. Syed Omar Sajid.

Furthermore, I would like to extend a warm welcome to our distinguished Chief Guest, Dr. N.O. Sukhaputra, I.A.S., Commissioner of Tirunelveli City Municipal Corporation, for graciously accepting our invitation and presiding over today's function. I also offer my heartfelt greetings to the esteemed dignitaries in attendance, our respected faculty and staff, cherished parents, and beloved students.

With profound gratitude and sincere reverence, I express my heartfelt thanks to Almighty Allah, whose divine guidance has illuminated our path and enabled us to ascend to greater heights. Year after year, our institution continues to scale new peaks, reflecting the steadfast dedication, resolute spirit, and shared purpose of all those involved.

I am both delighted and proud to share that our College, originally established as a Minority Institution, has been periodically renewing its minority status. This academic year, we applied for permanent minority status, which has now been officially granted by the Government of Tamil Nadu. This significant recognition affirms the College's continued standing as a Minority Institution.

The endeavours undertaken by our institution consistently achieve new milestones and reach broader horizons, underscoring our commitment to excellence. The most significant event of this academic year was the announcement of the NIRF Rankings-2024. For the first time in our institution's history, our college secured a place among the top 100 colleges in the country, achieving a rank of 98th. This milestone filled the college with pride, and congratulations poured in from all directions, applauding the management, principal, staff, and students for this remarkable accomplishment.

To make the year even more memorable, the Organisation of Muslim Educational Institutes and Associations of Tamilnadu (OMEIAT), an association representing over 500 Islamic educational institutions in Tamil Nadu, honoured 13 distinguished individuals for their exceptional contributions to education in the state during a ceremony held at The New College, Chennai, on January 31, 2025. Among the recipients was Haji T.E.S. Fathu Rabbani, our honourable Secretary and the Chairman of the Seyadu Group of Companies, Tirunelveli. He was felicitated with the 'Lifetime Achievement Award' by the Deputy Chief Minister of Tamil Nadu Mr. Udhayanidhi Stalin in Chennai on January 31, 2025, in recognition of his remarkable contributions to education and industry spanning over 65 years.

Another remarkable achievement occurred when Dr. S.M. Abdul Kader, the Principal of our College, was honoured with the prestigious IITM Pravartak Distinguished Principal Award. This recognition reflects his exceptional leadership and unwavering commitment to education.

It has long been the aspiration of both the Management and the Faculty members of our college to have an archway constructed at the entrance. We are pleased to announce that this vision will soon be realized, as the Tirunelveli Corporation has granted approval for the construction of the archway. The construction work is set to commence shortly.

The Department of Commerce organized an Alumni Meet for its 1972-1975 batch of students marking the 50th anniversary of their graduation. Notable guests included B. Shankar, Chairman of the National E-Governance Corporation, Haji S. Ahmed Meeran, one of the alumni and the Managing Director of Professional Courier and Chairman of Rebut Group of Companies addressed the gathering. The alumni displayed their generosity by promising to contribute substantially for the development of the college.

In response to the growing demands of students and the introduction of two new courses—B.Sc. Artificial Intelligence & Data Science and B.Sc. Fashion Technology—a new block has been constructed above the Main Building. This addition will provide 13 additional classrooms, enhancing the capacity of the college and supporting the delivery of quality education to all students.

To celebrate the spirit of religious inclusivity, our college hosts an annual Ifthar Get-Together, welcoming individuals from all faiths. This year's event, held on 18.03.2025, featured Dr. A. Ravindran, Regional Joint Director of the Directorate of Collegiate Education Tirunelveli, and Rev. Fr. Dr. Godwin Rufuz, S.J., Principal of St. Xavier's College, Palayamkottai, as the distinguished Chief Guests. In their speeches, the Chief Guests emphasized how fasting not only helps us grow as individuals but

also teaches us to share our blessings with others, fostering unity and compassion among all.

In line with the vision of our college founders, a series of special lectures have been organized to enrich our students' knowledge and understanding. The Haji L.K.S. Meeran Mohideen Tharaganar Endowment Lecture took place on 28.01.2025, where Haji Hidhayathullah, President of State Baithul-Mal, Tamil Nadu, spoke on the Waqf Amendment Bill and Baitul-mal. Following this, the Wavoo Endowment Lecture was held on 17.02.2025, featuring Dr. Kavimamani T.M. Abdul Khader, Former Head of the Department of Tamil at Islamiah College, Vaniyambadi, who delivered a talk on "Gnanampadi." On 03.04.2025, the Sadhavadhani Seyguthambi Pavalar Endowment Lecture was organized, with Mr. K. Balachandran, I.A.S., Former Additional Chief Secretary of the Government of West Bengal, discussing the topic "Naamirukkum Naadu Namathenbatharivom" (Let's Know Our Country Better). These lectures were designed to deepen students' understanding of society and the world around them.

It is with a heavy heart that I announce the untimely passing of two of our esteemed staff members, who devotedly served our institution. Haji A. Musthapha, our Office Assistant, and Dr. S. Angelin Kavitha Raj, Assistant Professor in the Department of Mathematics (Unaided), left us far too soon and unexpectedly. Their contributions to our college will always be remembered, and they will be deeply missed by all.

With deep respect and gratitude, I hereby acknowledge the invaluable contributions of our retiring faculty member, Mr. S.M.A. Khaleelur Rahman, Associate Professor and Head of the Department of Computer Science, and our non-teaching staff member, Mr. A. Akbar Ali, Laboratory Assistant (Special Grade). The College deeply values and cherishes their dedicated years of service in various capacities.

I would also like to extend my heartfelt appreciation to Dr. M. Sithi Jameela, Associate Professor, Department of Zoology, for her exceptional service as the Controller of Examinations. Her contributions have been invaluable, and she has now

passed the baton to Dr. A. Hamil, Associate Professor and Head, Department of Commerce on 01.04.2025.

Having provided a brief overview of the college's achievements, let us now delve into the specific activities and accomplishments of the various departments, faculty members, and students.

Best Practices

In pursuit of realizing the Vision and Mission set forth by the founders, the College has established a number of distinctive best practices, which are elaborated upon in detail below.

i) Students' Self-Help Scheme (SSHS):

Students' Self Help Scheme (SSHS) has been functioning for the past twelve years. This scheme is appreciated by many as it eases the pressure of economically disadvantaged students. Under this scheme, each student pays a sum of Rs. 20/- per semester voluntarily to help their poor and needy friends. The amount collected under this scheme was ₹67,420/- and it was distributed to more than 30 economically underprivileged students. Dr. Abusali, Assistant Professor of Commerce is the Staff-in-charge.

ii) Students Help in First Aid (SHIFA):

A sum of Rs. 7,900 has been collected under this scheme and it has been distributed to 3 needy persons to meet their medical expenses this year.

2.	Abu Haroon, I B.Com 'A' Sec	638	Cash
3.	Fathima Fouzana, II. B.Com (A)	807	Cash
Total Payments		2,430	

iii) Manitham:

A philanthropic movement called 'Manitham' was established in our college on August 30, 2016, under the leadership of our former-principal, Dr. M. Mohammed

Sathik. The organization is supervised by Dr. M. Sathik Ali, Head of the Tamil Department, and Saravanavel, the principal's personal assistant. With this movement, we are doing a noble service to the destitute, homeless and unattended people around KTC Nagar, Samathanapuram, New Bus Stand and Palayamkottai. Such people are provided with food, dress, chappals and bedsheets.

Our college principal, Dr. S.M. Abdul Kader, and vice-principal, Dr. S. M.A. Syed Mohammad Khaja, have advised us to expand our services and work from a new perspective. Following their advice, we have been providing additional services during festivals like Deepavali, Pongal, and Christmas. This year during Diwali, we visited the Government Old Age Home in Tirunelveli and provided clothing and food to the inmates. Similarly, on November 14, 2024, during Children's Day, we joined hands with Magdalene School, Palayamkottai and provided food to around 70 mentally challenged individuals.

On December 24, 2024, during Christmas, we visited the Shalom Old Age Home near the court and provided clothing and food to the inmates. Additionally, in December, we distributed 40 new blankets and winter clothing to those in need. Our organization has been providing these services consistently since June 16, 2024. We have been providing food to around 150 people every month. The funds for these activities are collected by the class representatives from each department and handed over to the organization through the department heads.

Our college Principal, Vice-Principal, Department Heads, Professors, and Alumni have been supporting our cause. From June 2024 to March 2025, we have collected around Rs. 1,00,000/-.

iv) Earn While You Learn Scheme:

Considering the poor economic status of some of our students and to promote work culture, we introduced the Earn While You Learn Scheme. The remuneration given to them is Rs. 100/- per day. They are made to serve in the College Office,

Library, Book Depot, Attendance Department, the Office of the IQAC and Chemistry Lab. A total of 20 students from both shifts have been deputed to work in various offices, departments and labs in this year. Students belonging to the Morning shift work during the Evening hours and those belonging to the Evening shift work during the Morning hours. Dr. M. Thameem Ansari, Assistant Professor of Chemistry is the Coordinator of this scheme. A total of 2,64,400 rupees was given as their salary this year.

The Typewriting Class at our college is conducted in association with the School of Commerce, Palayamkottai. The Department of Commerce oversees the smooth operation of the class. The Typewriting Centre has been recognized as an approved Training Centre by the Government of Tamil Nadu. To accommodate the schedules of our students, Typewriting classes for Shift-II students are held in the morning, while those for Shift-I students take place in the afternoon. For the academic year 2024-2025, a total of 120 students (both aided and unaided) are enrolled in the Typewriting Class. This year, 72 students appeared for the Typewriting Examination, which was held in March 2025 by the Department of Technical Education, Government of Tamil Nadu (DoTE). Dr. M. The Students' Council (2024 – 2025)

The election for the Students' Council was held on August 9, 2024. Each year, office bearers and class representatives are elected through a fair and democratic process using an e-voting system. Proper election notifications and schedules were circulated to students, with adequate time provided for nominations, withdrawals, and campaigning. The electronic voting system, in place for the past nine years, ensures efficiency and transparency. A 50% reservation for female students was implemented for council representation, with the quota allotted by lot for the 2024-2025 academic year. This year, 44 male and 45 female representatives were elected across 89 classes. However, students from two classes did not nominate candidates, and elections for two other classes were cancelled due to violations of the election code of conduct. Consequently, elections were conducted for the remaining 85 classes.

Details of the class representatives for the morning and afternoon shifts are provided below:

During the 2024-2025 academic year, the Students' Council initiated several impactful activities. Soon after taking their oath, the council began its service by planting saplings on the college campus, with all 85 representatives participating in the "Each One, Plant One" campaign. In August 2024, the office bearers successfully advocated for a Mofussil bus stop in front of the college. At the council's request, measures were taken to address the mosquito problem on campus, and drinking water facilities were enhanced with the installation of six water coolers on the second floor. To promote practical skills, the council organized driving classes in two batches, enabling 55 boys, 36 girls, 7 female staff members, and 4 male staff members—totalling

102 individuals—to obtain driving licenses through a hassle-free process at the institution.

On September 5, 2024, the Students' Council celebrated Teachers' Day, with office bearers honouring the Principal and senior faculty members. In collaboration with Suryan FM and the college Placement Cell, the council conducted an RJ Hunt Audition on December 24, 2024. On January 21, 2025, they organized a Dhoti Day celebration, followed by other events, including a Pongal Debate on January 8, 2025, in coordination with the Department of Tamil. On February 22, 2025, additional activities were held. In November 2024, the council raised Rs. 25,000 to support the medical expenses of a third-year B.A. Economics student. They also collected Rs. 67,420 for SHIFA (Students Help in First Aid) and SSHS (Students Self-Help Scheme), and an additional Rs. 24,000 for the medical aid of a college servant's daughter.

In partnership with the Palayamkottai Post Office, the council organized an Aadhaar renewal and correction camp, benefiting 398 students. The postal authorities also assisted 103 students in obtaining PAN cards. The council facilitated the opening of zero-balance bank accounts for 418 students at Canara Bank, Indian Overseas Bank, Tamil Nadu Co-operative Bank, and the Post Office. Additionally, the council coordinated blood donations for 11 individuals. Through department-wise collections, they raised Rs. 1,00,000 for *Manitham* to aid orphaned and roadside destitute individuals, and Rs. 28,000 to cover the fees of eight fellow students.

Students' Counselling Cell

The Students' Counselling Cell plays a vital role in supporting the mental health and overall well-being of students, offering essential guidance and programs that help students navigate academic and personal challenges. The cell provides a safe space for students to develop skills and resilience, contributing significantly to their academic success and personal growth. Dr. A. Hamil, Head, Department of Commerce is the coordinator of the Students' Counselling Cell.

In the academic year 2024-2025, the Counselling Cell organized two key programmes. The first programme, *"From Being to Becoming"*, was held on 25th September 2024. Resource persons Dr. A. Faritha Begum, Mrs. Ameera, and Mrs. A. Syed Ali Fathima shared insights on self-realization and personal growth, encouraging students to understand their potential and how to begin their journey of development. This session benefited 180 students.

The second programme, *"Psychological Safety on Campus: Legal Approaches"*, took place on 30th January 2025. Adv. Shiny Priya, a District Court lawyer from Tirunelveli, conducted the session, focusing on psychological safety and legal measures available to students on campus. This session was attended by 70 students, providing them with crucial information about campus safety and their legal rights.

Internal Compliance Cell (ICC)

The Internal Compliance Cell (ICC) plays a crucial role in promoting a safe and supportive environment for students, particularly in addressing and preventing issues related to women's harassment in educational institutions. The ICC is dedicated to raising awareness and ensuring the well-being of students by organizing educational programmes that focus on important societal issues, including the prevention of harassment and discrimination. Through its proactive initiatives, the ICC works towards creating a safer, more informed campus where students, especially women, feel protected and empowered.

Dr. Firthous Fathima, Head of the Department of Mathematics (Aided), serves as the convenor of the Internal Compliance Cell and leads these efforts. The ICC is committed to addressing gender-based challenges in the academic environment and takes necessary measures to foster a safe, respectful space for all students.

On 18th October 2024, the Internal Compliance Cell organized an awareness programme for women students, focusing on the critical issue of women empowerment and harassment. The session featured a lecture by Ms. Z. Tajunnisha

Begam, District Social Welfare Officer, Department of Social Welfare and Women Empowerment, Government of Tamil Nadu. She emphasized the importance of addressing women's harassment and the collective action needed to create a safer and more equitable environment for women. The programme, which was attended by 142 students, aimed to empower participants with knowledge and practical solutions to tackle these challenges.

On 22nd January 2025, another awareness programme was held, focusing on law protection and student safety. The chief guest, Mrs. S. Esakkiammal, Special Sub-Inspector, City Police Station, Tirunelveli, delivered a lecture on the importance of following legal rules in public spaces. This session, attended by both male and female students, was designed to educate them on their rights and responsibilities under the law. The programme was well-received and highlighted the importance of law awareness in ensuring student safety.

Both programmes were successfully organized by Dr. S. Firthous Fatima, Convenor of the Internal Compliance Cell, along with active participation from other faculty members, further underscoring the commitment of the Internal Compliance Cell to student welfare and safety.

Anti-Ragging Committee

Ragging is strictly prohibited on the college premises, in line with government orders. The college's Anti-Ragging Committee plays a proactive role in preventing ragging in both the campus and hostels through various preventive measures. Flex boards displaying the mobile numbers of the Anti-Ragging Committee are prominently placed across various venues, including hostels. Additionally, regular announcements are made through the public address system to raise awareness among students, with specific reference to the penalties associated with ragging.

The Anti-Ragging Awareness Programme was organized on 12th August 2024 at 11:00 a.m. in the college auditorium, coinciding with the celebration of Anti Ragging

Day. The primary objective of the programme was to raise awareness about the detrimental effects of ragging and promote a safer, more respectful environment for students. The session was addressed by Thiru. Pradeep Ranganathan, Assistant Commissioner of Police, Palayamkottai Range, who emphasized the importance of collective action to prevent ragging on campus.

The event was organized by the Anti-Ragging Committee, led by Dr. M. Thameem Ansari (Convenor), and was supported by the college administration. The programme aimed to educate students on recognizing, preventing, and addressing ragging, reaffirming the college's commitment to creating a safe and supportive environment for all students.

The initiatives have been instrumental

in reinforcing the college's commitment to academic excellence and the integration of technology in education. Dr. S. Syed Ali Fathima, Assistant Professor, Department of Mathematics, is the Dean of the Centre for Digital Learning (CDL).

1. NPTEL Achievements

The National Programme on Technology Enhanced Learning (NPTEL) is an initiative by the Government of India that offers online certification courses from top Indian institutions. In the academic year 2024-2025, Sadakathullah Appa College's students and faculty made remarkable progress in the NPTEL examinations, showcasing their dedication to academic excellence.

- **January-April 2024 Session:** A total of 332 students successfully completed their NPTEL exams, achieving 1 gold medal, 68 silver medals, and 117 elite statuses. This impressive performance reflects the college's continued focus on academic rigor and the development of a strong learning culture.
- **July-December 2024 Session:** The college continued to maintain high standards with students earning further recognition. Notably, in the July-December 2024 session, the institution saw the completion of courses by a total of 137 students, with awards including gold, silver, and elite certificates.
- **Faculty Participation:** Faculty members from various departments also participated in NPTEL courses, further advancing their expertise. Notable examples include Dr. S. Shahul Hameed (BBA), Dr. Kairon Mubina (Physics), Mr. M. Sahul Hameed (History), Mr. S. Mohamed Ali Mohideen (Economics), and Mr. S.B.S. Younus (Information Technology), who all received certificates of completion with varying levels of distinction, including Elite + Silver, Elite + Gold and Topper certifications.

2. Awards and Recognition

The Centre for Digital Learning and its members have earned considerable recognition for their exceptional efforts throughout 2024-2025.

- Aspirants Award: Sadakathullah Appa College was recognized in the Aspirants Special Category by NPTEL for both the Jan-Apr 2024 and Jul-Dec 2024 sessions. This prestigious honour acknowledges the institution's commitment to promoting NPTEL courses and its role in enhancing digital education.

She completed five NPTEL courses, earning Elite and Silver certifications, and was the first faculty member from the college to receive this recognition.

3. Events and Workshops

Throughout the academic year, CDL organized several impactful events aimed at promoting digital learning and enhancing faculty and student engagement with digital platforms.

- One-Day Awareness Program on MOOCs: On August 8, 2024, a one-day awareness program was held to celebrate the achievements of students and faculty who completed NPTEL courses. The program included insightful talks from Dr. P. Kumar, Associate Professor at Manonmaniam Sundaranar University, who emphasized the benefits of Massive Open Online Courses (MOOCs) in modern education.

- Faculty Development Workshop on E-Content Development: From December 11 to 18, 2024, a Five-Day Faculty Development Workshop was organized in collaboration with IQAC on the topic of "E-Content Development". The workshop aimed at empowering faculty members with the skills needed to create effective digital learning content. It provided training on creating multimedia learning materials, interactive modules, and evaluation methods for e-learning. Over 100 e-content submissions were received from faculty members, marking the success of this initiative.
- Commemoration of International Day for Digital Learning: On March 20, 2025, in alignment with UNESCO's International Day for Digital Learning, the Department of English hosted a debate on the topic "AI in Education: A Potential Risk or a Tool to Enhance Learning". This event served as a platform for students to critically discuss the potential benefits and risks of integrating Artificial Intelligence into the educational system.

4. Technological Initiatives

CDL has been at the forefront of implementing several technological initiatives that streamline administrative processes and improve access to educational resources.

- Creation of NAD ID, and ABC IDs: The Centre played an essential role in the creation of National Academic Depository (NAD) IDs, and Academic Bank of Credit (ABC) IDs for students. These IDs facilitate seamless access to digital educational resources and improve the overall student experience.
- Automation for NME Courses: In response to the inefficiencies of the manual Non-Major Elective (NME) course selection system, CDL successfully automated the course selection process. This new system enables students to select courses online through a centralized platform, ensuring greater flexibility, real-time updates, and ease of access.
