REPORT OF THE INTERNAL QUALITY ASSURANCE CELL

1. Paramarsh Scheme

The Ministry of Human Resource Development has launched the scheme of 'Paramarsh' to promote Quality Assurance in higher education.

The scheme is for offering Mentoring services to NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education.

The scheme will be a paradigm shift in the concept of mentoring. Well performing institutions will offer mentoring services to aspirant institutions to upgrade their academic performance and enable them to get accredited by focusing on the areas of curricular aspects, teaching-learning & evaluation, research, innovation, institutional values & practices.

Higher education institutions that have failed to meet the quality standards of the National Assessment Accreditation Council (NAAC) can now avail mentorship from the top universities and colleges.

Under the Paramarsh scheme of the University Grants Commission (UGC), 71 universities and 391 colleges with NAAC score of 3.26 and above applied to become Mentors under the Scheme.

The UGC has approved 167 Universities and Colleges as Mentors and 800 institutions as Mentees.

Sadakathullah Appa College is one among the selected premier mentoring institutions.

Each mentor institution will receive a grant of Rs 30 lakh to support the mentees.

Dr. Krishnan Baskar, Former Vice Chancellor of Manonmaniam Sundaranar University, Tirunelveli has been deputed as the Accreditation Ambassador of our college under the UGC Paramarsh Scheme since 02.01.2020. He has rich experience in the field of guiding institutions in the Accreditation process. The following observations are submitted for your kind reference:

1. It can be understood from the diligent efforts of the staff members that Sadakathullah Appa College is keen on implementing the Outcome Based Education.
2. The curricula for various courses reflect meticulous planning and development.
3. Blooms taxonomy and Gardener's Intelligence are well taken into account and they are reflected in the Programme Outcomes and Course Outcomes of various programmes.
4. Departments need to focus on Research activities as most of the teachers are Ph.D. holders.
5. A training on Activity based learning and e-Content Development may be conducted.
6. Faculty members having 15 plus years of teaching experience, especially, belonging to aided departments need to be motivated to make them contribute to the institution. It is also notable that few of them perform exceedingly well. The conduct of a motivational programme in this regard is suggested. They must be made conscious that they are the Government Aided Staff therefore must contribute to the academic activities as regulated by the Government of Tamil Nadu & the UGC.
7. There should be a rewarding system in the institution to encourage the extremely good personalities and inquire into the defaulters.

Thanking you,

Tirunelveli - 11.

Yours Sincerely,

A. Syed Md
