1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution?				
<p>The institution collects feedback from the stakeholders such as the students, alumni and parents. The students are electronically administered a questionnaire containing 25 questions focusing on the performance of a particular teacher who have taught them a specific subject and their feedback is collected confidentially. The students are to provide the feedback on a four point scale where 4 being very good and 1 being poor. The feedback is consolidated in a secure server and an overall percentage is given for a particular teacher. Then the teachers are ranked according to the percentage received. The individual teacher’s feedback is shared with them confidentially. Moreover, a Feedback Analysis Committee comprising two members – Prof. K. Rabi Ahamed and Dr. M. Kamalutheen analyse the feedback further and based on the ranking the teachers who are in the last three positions are given personal counselling to improve their teaching and other relevant areas so that they can improve their overall feedback score. The overall report is also submitted to the management committee. Feedback from the alumni is also collected using a questionnaire. The feedback is consolidated and a report is prepared. A similar process is followed in the case of the parents also. But the questionnaires issued to the parents are in the regional language (Tamil) so that they can understand the question and give genuine feedback. The feedback provided by the parents is consolidated and a report is prepared. Both these reports are submitted to the Management Committee and actions are taken accordingly.</p>

<p>The infrastructure of our College keeps pace with its academic growth. For its smooth and systematic conduct, the College has its own procedures and policies for maintaining and utilizing the physical, academic and support facilities.</p> <p><b>Library:</b></p> <p>The College Library plays its role as a provider of information and facilitator to learning. It imparts a conducive environment for intellectual nourishment by providing user-focused services. The Library is fully automated. The ID cards and books of staff and students are pasted with bar-coded labels. Student entry is through e-gate. AutoLib library software is used to issue books. Books can be searched through OPAC. A special website is created for the convenience of students (<a href="http://www.sadakathlibrary magazine.webs.com">http://www.sadakathlibrary magazine.webs.com</a>) to inform them about the library working hours, resources available at the library, recent events conducted by the library and list of newspapers, magazines and journals. An Internet café with seven computers and an e-library with fifteen computers are available on the campus. The library has created “Student Readers Forum” and “Forum for Civil Service Aspirants”. The activities of the students inside the library premises is monitored by CCTV cameras. The library conducts orientation programmes for the freshers every year. It also organizes national seminars, workshops, conferences and book exhibitions every year.</p> <p><b>Sports</b></p> <p>The College emphasizes the importance of sports and considers them as an integral part of the</p>

Healthy institutions go by unanimous decision. Students, one of the stakeholders, are therefore given due representation in academic and administrative bodies of our College. The activities of the Students' Council in our College are very remarkable. It comprises of a Chairman, Vice-chairman, Secretary and Joint Secretary. The office bearers are elected by the class representatives on the day of the election. Every year the College conducts election through e-voting in a democratic way. ## 7.2 Best Practices

Describe at least two institutional best practices

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

In way of constantly encouraging the students to be compassionate members of the community, the College has evolved many practices like Earn While You Learn, SSHS, SHIFA and *Manitham*. Two of the above best practices are dealt with below.

### SSHS

A scheme namely, **Students' Self-Help Scheme (SSHS)**, has been in practice in our College. As per this scheme, economically disadvantaged students are being provided with need-based financial assistance from the amount collected every month from the volunteers. Each student pays a sum of Rs.10/- per month voluntarily to help the poor and needy students. This scheme has been appreciated by many as it eases the pressure of the economically disadvantaged students. The amount collected under this scheme this year in the Aided section is Rs. 75,000/- and the total beneficiaries are 25.

### SHIFA

Another best practice followed in this institution is SHIFA, 'Students' Help In First Aid' – monetary help by the students for the first aid during accidents. An amount of Rs. 18,976/- has been collected under this scheme and the total beneficiaries are 17. The amount will be at disposal for the medical requirements of needy students.

## 7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

Provide the weblink of the institution in not more than 500 words

The destiny of a nation is shaped inside its classrooms, the College takes every measure to produce students who are intellectually committed and spiritually inspired. Whatever the College endeavours to accomplish, it has its Vision behind, as a motivating factor: "to provide quality higher education to all... to inculcate the students with spiritual and moral values... producing good and useful citizens worthy of the great land". As such, the College grooms its students as better citizens with not only intellectual capital but also moral capital. Discipline and Placement are the two areas, distinctive to its vision, priority and thrust.

The College conducts *Deeniyath* classes for Muslim students & Moral Science classes for Non-Muslim students every Wednesdays. For the conduct of *Deeniyath* classes, resource persons are availed from outside. In these classes, awareness has been created among the students to abide by the moral standards of our nation. Strict dress code is followed by the students as well as the staff. Uniform has been introduced to the students. Student attendance is also monitored very strictly and the parents of the absentees are informed of the absence of their

ward at the very first hour itself. Also students who absent themselves for genuine reasons during the CIA examinations are favoured with a retest. The rapport between the administrative heads and the Students' Council is very remarkable and there has been no strike organized by the students for the past nine years.

The College pays great attention towards the well-being of the inmates of the two ladies hostels. Safety of the inmates has been ensured by maintaining various registers, having regular contacts with their parents, keeping records of their entry and exit, installing CCTV cameras at the hostel gates and vigilance at the College main gate. Details about the holidays and the departure of the inmates from the hostel during holidays are informed to their parents through Whatsapp messages from the College Office.

The College encourages the education of the economically deprived students by offering scholarships from various endowments and Zakat Fund collected by the Islamic Study Circle. 105 endowments amounting to Rs.40,00,000/- have been sponsored by the well-wishers and retired staff members. In addition, there are 50 patrons who have donated a sum of Rs.63,50,800/-.

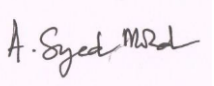

In way of creating self employment opportunities for the students, the College offers hands-on training on tailoring, typewriting, water-soil analyses, silkworm-rearing and taxidermy.

The College nurtures social awareness and accountability in the young minds at the right time by evolving schemes like *Manitam*, a humanitarian and public-spirited movement initiated with a noble intention of identifying and providing shelter and food for the abandoned and mentally-deranged people in an around Tirunelveli.

Thus the College ascribes great importance to schemes & policies that uplift the standard of a student both in academic and personal fronts.
